## Your Submitted Press Release

**Hong Kong, China, 23rd Nov 2023, King NewsWire** - LunaProxy has grown in leaps and bounds in the past few years to become the go-to [residential proxy provider](#) for clients – businesses and individuals, in different parts of the world, with a presence in about 200 countries globally. In line with the company's commitment to delivering a seamless browsing experience to customers, LunaProxy has introduced new packages that enable internet users to surf the web freely and access global data anonymously without breaking the bank.

Online data privacy and browsing restrictions are some of the major challenges facing netizens across the globe. Governments of countries in different parts of the world as well as organizations tend to control the data accessible to internet users. However, proxy providers and other similar companies have emerged to help internet users circumvent such restrictions and browse the web as desired. Unfortunately, many of such solutions fail to meet the needs of users, due to service disruptions and restricted coverage areas, just to name a few. Consequently, LunaProxy has come as a game-changer to thousands of internet users and the residential proxy provider continues to deliver more from its magic hat.

LunaProxy stands out for the unique combination of quality and relative affordability, with a user-friendly setup and over 200m residential proxies. Users also enjoy unlimited concurrent sessions, country and city-level targeting, as well as efficient public data collection, with an average success rate of 99.99%.

The LunaProxy experience includes Dynamic Residential Proxy, Rotating ISP Proxy, Unlimited Residential Proxy, Static Residential Proxy, and Static Data Center Proxy. LunaProxy is versatile and compatible with different devices and purposes, including search engine optimization (SEO), ad verification, market surveys, social media marketing, review monitoring, and a host of others.

LunaProxy currently offers different pricing packages to enable every category of client, irrespective of their budget to browse the internet and access data as desired. In a related development, LunaProxy is not only introducing new packages but has also launched a Black Friday offer on its range of services. Tagged "Biggest Discount Season," the offer comes with fantastic price slashes, with up to 50% off on some products, without compromising quality. There is also 24/7 support for customers as well as an easy-to-navigate multilingual website for an all-inclusive experience.

For more information about the latest offers from LunaProxy and to enjoy the range of top-notch residential proxies from the company, visit - [www.lunaproxy.com](http://www.lunaproxy.com). LunaProxy also has a growing online community across several social media platforms, including [Twitter](#), [YouTube](#), and [Facebook](#).
